Sole Source Approval for Traffic Management Center Upgrade

Staff recommends the Board of County Commissioners waive the requirement for bids for the TMC upgrade, at a cost of \$256,302, and declare Econolite Systems as the County’s sole source provider for any subsequent maintenance, repair and upgrade of the Centrac’s Advanced CCTV module, video wall monitors and associated hardware and software related to the TMC . Staff also recommends the Board authorize the Purchasing Division to issue Purchase Orders for the Econolite Centrac’s System, associated equipment and software, as needed.
