Ordinance Concerning Medical Cannabis

The County Attorney's Office recommends that the Board vote as to whether to proceed with an ordinance which would regulate low-THC and medical cannabis dispensing facilities under section 381.986, Florida Statutes, in the same manner as medical marijuana treatment centers under Amendment 2. If the Board wishes for the County Attorney's Office to draft such an ordinance, the County Attorney's Office recommends that the Board vote as to whether the ordinance should contain additional requirements for medical marijuana treatment centers and such dispensing facilities.
