Jones' Pier Conservation Area Public Use Improvements - Project Update and Status of FEMA Project Worksheet #796

1. For FEMA Project Worksheet #796, staff recommends the Board authorize staff to immediately proceed with repairs to the Observation Pier and Guest Cottage to pre-storm conditions and pursue FEMA reimbursement funding; and to return to the Board with a plan for an improved project to the Main House in accordance with the 2008 Approved Management Plan which may or may not be eligible for FEMA reimbursement funding. 2. Authorize staff to pursue funding the public use improvements eligible under the 2018/19 Florida Inland Navigation District's Cooperative Assistance Program due March 30, 2018, including, but not limited to parking, restrooms, boardwalks and other support facilities that relate to Lagoon access. 3. Direct staff to return to the Board with a conceptual plan for refurbishing and repurposing the main house and other buildings to serve as public facilities.
