Due Diligence and Project Review - West Regional WWTF Reclaimed Water Storage, Tetra Tech Amendment No. 1 to Work Order No. 2

Purchase Order No. 83342 was issued to Tetra Tech, Inc., on April 15, 2019, for a sum amount of \$12,960.00, which would bring the total sum amount to \$68,440.00 for Work Order No. 2. Staff requests that the Indian River County Board of County Commissioners approve Amendment No. 1 to Work Order No. 2 and incorporate the purchase order into the work order so that the limited Phase II Environmental Site Assessment work can be performed, given time is of the essence in having the due diligence study completed.
