North Sebastian Septic to Sewer (S2S) Phase 1, Public Hearing and the Adoption of Resolution No. III (Legislative)

Open the public hearing and after receiving input, consider adopting Resolution No. III with any revisions based on that public input. Staff recommends that the Board of County Commissioners consider the following options: 1) Adopt Resolution No. III with the following items: a. Cost per parcel/unit to be based on Attachment 3, Capital Cost Breakdown. b. One hundred and twelve (112) benefitting parcels/units as part of the special assessment lien. c. For benefitting parcels above in point b, allow property owners to finance the capital cost up to 10 years, payable in ten equal yearly installments at an annual interest rate of 2.00% as approved by the Board of County Commissioners.
