Revision 1 to Amendment No. 1 to Centerline, Inc. for West Wabasso Septic to Sewer Phase 3B Project
 Staff recommends the Board of County Commissioners approve the Revision to Amendment No.1 to Centerline, Inc. in the amount of \$1,368,176.77, which would effectively add both Phase 3A and 3B construction costs under one agreement, and authorize the Chairman to execute it, after review and approval of the required amendment to the public construction bond. So long as there are no changes in the dollar amount under the revised Work Order, upon adequate completion of the work set forth in the Work Order, staff is directed to make final payment and release any retainage to Centerline, Inc., after review and approval by the Purchasing Manager and the County Attorney’s Office
