Draft Medical Marijuana Ordinance

The County Attorney's Office recommends that the Board review and make comments on the proposed ordinance language and authorize the County Attorney's Office to set a public hearing on such ordinance for the August 15, 2017 Board meeting. The County Attorney's Office also recommends that the Board authorize the Community Development Department to draft an ordinance amending the land development regulations to remove references to medical marijuana. Finally, the County Attorney's Office recommends the Board invoke the pending ordinance doctrine while the Board is considering the adoption of the proposed language prohibiting Dispensaries in the unincorporated areas of Indian River County.
