### West Wabasso Phase II Septic to Sewer Approval of Cost Share Funding Agreement

Staff recommends approval of the Cost-Share agreement and requests the Board of County Commissioners to authorize the Chairman to execute the same on their behalf. Please note that if, during the procurement process, bids are much higher than the engineer's opinion of probable cost, the County has the option to close the agreement early without addressing any construction. The early closeout of the agreement would be brought as a new item to the board at that time.
