Children's Services Funding Allocation for Fiscal Year 2024/25

The County Administrator recommends the Board approve funding for Children's Services agencies at the current 0.1250 millage rate which would generate \$3,149,351 in funding for FY 2024/25. This amount provides a 13.6% increase or \$376,148 additional dollars when compared to the current year's funding.
