First Public Hearing to Consider Applying for a Community Development Block Grant and Request for Authorization to Proceed with Consultant Selection Process (Legislative)

Staff recommends that the Board of County Commissioners: 1. Open the first public hearing and obtain public input regarding the county's economic and community development needs; 2. Provide direction to staff regarding pursuing new CDBG funding; and 3. Authorize the Community Development Director to issue an RFP to hire a consultant to administer the grant if the grant is awarded.
