West Wabasso Phase II Septic to Sewer Approval of FDEP Funding Agreement
Staff recommends approval of the Florida Department of Environmental Protection Grant Agreement No. NS045 and requests the Board of County Commissioners to authorize the Chairman to execute the same on their behalf. Please note that if, during the procurement process, bids are much higher than the engineer's opinion of probable cost, the County has the option to close the agreement early without addressing any construction. The early closeout of the agreement would be brought as a new item to the board at that time.
