Due Diligence and Project Review - West Regional Wastewater Treatment Facility Reclaimed Water Storage, Tetra Tech Amendment No 1 to Work Order No 2

Staff requests that the Indian River County Board of County Commissioners (BCC) consider the following: 1. Since no apparent fatal flaws were encountered in the due diligence evaluation, staff recommends that the BCC move forward with the purchase and sale agreement; and, 2. Staff recommends the continuation of the current cattle operation, and therefore requests that the BCC authorize the Chairman to sign the Assignment of the Cattle Lease Agreement
