Re-Use Plan

Staff recommends the Board of County Commissioners consider the following: Authorize staff to negotiate a cost proposal with one of the engineering firms in the 2018 Continuing Consulting Engineering Services Agreement for Professional Services for a detailed evaluation of a Re-use Master Plan. The evaluation is to include funding requirements, build out scenarios, land development regulation changes, regulatory compliance, sources of funding, timing and appropriate rate structure modifications and/or rate adjustments; and, Authorize staff to negotiate a cost proposal to determine the feasibility of a pressurized re-use system within the Barrier Island area, specifically along A1A south of CR-510.
