Dear Scott,

**Mobile food pantries meet people where they are!**

Treasure Coast Food Bank's Mobile Food Pantry programs deliver nutritious food directly to people needing assistance in Indian River, Martin, St. Lucie, and Okeechobee counties. Our Mobile Food Pantry provides protein products, grains, fresh fruit, fresh vegetables, non-perishable foods, and other essentials to people who do not have access to food pantries, soup kitchens, or shelters. Thanks to the generous support of our mobile food pantry sponsors, all items are distributed at no charge to our pantry recipients.

All Mobile Food Pantry sites commit to free-of-charge agreements with the Treasure Coast Food Bank, and our partnerships strengthen food distribution services in our community. A few of our regular mobile pantry sites include Martin County Fairgrounds, Okeechobee Agri-Civic Center, Treasure Coast Mall, Vero Beach Outlet Mall, Local Schools, and many more great sites and organizations that help us fulfill our mission.

Could your organization play a crucial role in our mission to end hunger? By partnering as a Mobile Food Pantry Site, you can directly contribute to this important cause.

We are looking for community partners to join us, and with your help, we can move more meals and touch the hearts of families that need our help. Thank you for your consideration, and we look forward to hearing from you soon.

Best Regards,  
Antonio Dimovski
