#### **NO SHOW/Cancelation Policy:**

Sandridge Golf Club realizes that there are many things that can come up in people's day to day lives. While truly sympathetic, the golf club cannot absorb the financial responsibility of players not showing up for booked tee times.

We require a (24) hour advance notice to cancel any tee times, including reductions in group size. If change or cancellation is not made within this time-frame, the credit card holder is responsible for all applicable charges. When reservations are booked, it blocks out the available tee time in our reservation system and leaves us unable to make that time available for another player. We appreciate your understanding.

\*\* Abuse of tee times must be avoided. As such, threesomes etc. equal a reduction of players able to play our courses. When the use of threesomes equals a full tee time or greater, the group leader will receive a warning. After the second occurrence, Sandridge Golf Club will assess a \$200 fee to the group.

#### **Group League Booking Cap**

Once a 50% saturation of the tee sheet occurs with group bookings, Sandridge Golf Club will not be able to accept any new groups. Only when a group cancels or decides not to renew for the next fiscal year will there be an opening for a new Group to be added. A waiting list will be established based on a first come, first served basis.
