Judge Cynthia Cox, 19th Judicial Court, reminded the Board that the Alcohol and Other Drug Abuse Trust Fund was created based on court assessments and was to be used for substance abuse and alcohol treatment. She elaborated on the current opioid epidemic and pointed out that there were 500 individuals eligible, but only 80 were enrolled to participate in Drug Court. She expressed her concern that only the privileged could afford the fee of \$400.00 per month. Judge Cox further explained that The Florida Supreme Court has mandated the Problem Solving Courts become certified by 2020 and comply with Key Components and Standard Best Practice 2, which include equity and inclusion.

Commissioner O'Bryan mentioned that he had attended a graduation ceremony and was impressed with some of the graduates testimony on how the program had changed their lives, and assisted in getting them back on their feet. Commissioner O'Bryan expressed that all the agencies pulled together to make the program a success.

Judge Cox thanked the Board for their consideration.

A motion was made by Commissioner O'Bryan, seconded by Commissioner Flescher, to approve the request to designate the Indian River County's Problem Solving Courts as a chosen program recipient to receive up to \$50,000 from the Alcohol and Other Drug Abuse Trust Fund for use for substance abuse treatment and testing for the drug court, mental health and veteran treatment court participants in Indian River County that are indigent. The motion carried by the following vote:

 Proposed Ordinance

Interim Community Development Director Roland DeBlois presented a request by Garrett Guidroz to amend Land Development Regulation (LDR) Section 932.07, Piers, Docks, and Boat Slips.

He explained that Mr. Guidroz had received approval from the Florida Department of Environmental Protection (FDEP) to modify an existing dock on his lot at 13380 North Indian River Drive.

Interim Director DeBlois gave a PowerPoint presentation of the LDR requirements for boat slips, piers and docks, stating that FDEP does allow roofs over boat lifts, provided it does not overhang more than one foot beyond the footprint for the lift and the boat stored at the lift.

The Board sought and received answers from Interim Director DeBlois on the size of the proposed boat shelter. Mr. Guidroz's proposed shelter satisfied the 2,000 square foot limit requirement.

Dr. David Cox, Periwinkle Lane, Summerplace, answered Commissioner O'Bryan's concerns regarding the maximum size of the shelter.

A motion was made by Commissioner Zorc, seconded by Vice Chairman Adams, to adopt Ordinance 2019-015, concerning Amendments to its Land Development Regulations (LDRs); providing for Amendments to Chapter 932, Coastal Management; by amending Subsection 932.07(3)(a), Unwalled shelters, of Section 932.07, Piers, docks and boat slips; and by providing for repeal of the conflicting provisions; codification; severability; and effective date. The motion carried by the following vote:

Aye: 3 - Vice Chairman Adams, Commissioner Flescher, and Commissioner Zorc

Nay: 2 - Chairman Solari, and Commissioner O'Bryan
