BACKGROUND:

On **May 1, 1997**, the Board of County Commissioners adopted **Ordinance 97-7**, establishing the Children's Services Network as an advisory board to the Indian River County Board of County Commissioners. Along with the ordinance, a guide was adopted by resolution, outlining the operating procedures for the Children's Services Network.

On **May 17, 2022**, the Board of County Commissioners adopted **Ordinance 2022-007**, amending Part II of Chapter 103 (Commissions and Boards). This ordinance updated various aspects of the Children's Services Advisory Committee (CSAC), including the requirement that the procedure handbook be adopted by resolution to formally establish CSAC's operating procedures.

Following revisions, updates, and input from the Children's Services Advisory Committee, the **CSAC Guidebook** was approved by majority vote during the CSAC meeting on **December 5, 2023**. This marked the first comprehensive update to the procedure handbook since its adoption in **1997**. The updated language and operating procedures now align with **Ordinance 2022-007**, ensuring clarity, consistency, and effective governance moving forward.
