Vero Beach, FL 32960

Dear Ms. Leigh Uribe & Ms. Amie Rutherford:

As a follow-up to our conversation on March 11, 2024, please accept this as written notice that as of May 30, 2024, Children's Home Society of Florida (CHS) will be terminating our Teen Life Choices services in Indian River County.

I wish to take this opportunity to thank you for your partnership with CHS over these many years where we have provided guidance and education to youth in the community to realize their full potential. It has been an honor to see the *good* we have accomplished in building stronger foundations for these children and we look forward to continuing our relationship and expanding our impact to meet the needs of the community.

Sincerely,

*Mary E. Nash*
