I have always been interested in the welfare of children. My 3 children are grown and I have 5 grandchildren who I love dearly and although they all live out of state, I have very close and invovoed in their lives. Having a Little Sister through BBBS has been very rewarding for me and I hope for the Little Sister. I had a Sister in NJ for 3 years, and I have one here in Vero Beach for 2.5 years so far. I would love to become involved in your committee to further my connection with helping to improve the circumstances of children of Vero Beach.

Interests & Experiences

Why are you interested in serving on a board or commission?

I am interested in child welfare. There's a large population of children who qualify for assistance in VB.
