Contractor	Location	Total Bid
Jobear Contracting, Inc.	Palm Bay	\$333,313.00
Don Hinkle Construction	Fort Pierce	\$290,193.76/DQ
Close Construction Services, LLC	Okeechobee	\$603,788.00
West Building Contractors	Palm City	DQ

West Building Contractor's bid was disqualified for failure to acknowledge required addenda, and failure to submit a properly-executed Trench Safety Form, per 553.60, Florida Statute. Don Hinkle Construction's bid was disqualified for lack of unit prices on the bid form. Unit prices are the basis of award, and payment for completed work, per the bid and contract documents. Close Construction's bid price as read in the bid opening was \$296,688.00, however, during verification of the bids, it was noted the unit price for one of the line items, with a quantity of 105, was also listed as the total price. Per the bid and contract documents, mathematical errors are resolved in favor of the unit price listed, rather than the total. No errors were noted in the Jobear Contracting bid.

The design engineer for the project, Kimley-Horn and Associates, reviewed the responsive bids, and determined Jobear Contracting to be the lowest, responsive, responsible bidder, and has recommended award to them. The Division concurs with this recommendation. Jobear has recently completed the Hallstrom Farmstead Restroom and Parking project.

FUNDING:

Expenses, in the amount of \$333,313, for this project will come from the Optional Sales Tax/Parks/Hosie Shumann Park Improvements account, number 31521072-066390-18011.
