

Business Impact Estimate

Florida law requires that before the County adopts a new ordinance, it must prepare a Business Impact Estimate that complies with Sec. 125.66(3), Fla. Stat. There are several exemptions to this requirement, which are outlined in the statute. This Business Impact Estimate form is provided to document compliance with and exemption from the requirements of Sec. 125.66(3), Fla Stat. If one or more boxes are checked below under “Applicable Exemptions,” this indicates that Indian River County has determined that a business impact estimate is not required by law for the proposed ordinance. If no exemption is identified a business impact estimate is required by Sec. 125.66(3), Fla. Stat. and must be provided in the “Business Impact Estimate” section below.
