Re: Well Pump Circuit & Starter

Complete Electric, Inc. Is Pleased To Present You, With Our Proposal Detailed Below:

**Scope of Work:** Supply the new 10HP well pump with a dedicated 208V Three phase conduit and circuit in its new location. Provide Motor Starter for new well pump.

- Install PVC conduit from the Main Electrical Panel or MDP, over to the Well Pump location. We will expand the existing support rack as needed to make room for new starter/
- Supply and install a combination ON/OFF disconnect and Motor Starter with thermal overload protection for the well pump. This will be attached to the vertical supports for the roof near the pump. This will be a Square D starter in a N4X fiberglass enclosure.
- Pull in circuit from MDP to starter. Install liquid tight flex connection to well pump.
- Supply and install a new Square D 3 pole 40A breaker in MDP.

**MATERIALS: \$880.00**

**LABOR: \$1440.00**

**MOTOR STARTER: \$3200.00**

**TOTAL QUOTE: \$5520.00**

**GENERAL NOTES:** Only the items listed above are included in this quote. Trenching (if needed) will be completed in a neat and professional manner. Any pre-existing conduits or cables that have not been properly buried, may become damaged while our crew is trenching. If such a situation were to occur, it will be the sole responsibility of the Owners to have any necessary repairs made.

**Terms & Conditions:**

1. If inspection is required you will need to be present to allow the inspector access. If you are not present the inspection will not pass, and there could be a re-inspection fee. If re-inspections fees are required due to non-access, customer agrees to pay.
2. This proposal is based upon the current costs of material and labor. Should the market price of materials increase by five (5) percent or more the customer agrees to pay the cost associated with such increase.

3. This Proposal is valid for thirty (30) days from the Proposal date.
4. If The AHJ Requires Additional Devices Or Items Not Indicated On The Plans, Or Not Included In The Specifications They Will Be Added At Additional Cost.
5. Quote Based On Working Hours, 7:00 AM – 3:30 PM.
6. Damage Resulting From the Installation Of Our Scope Of Work To Underground Items That Have Not Been Identified By Locates Will Not Be The Sole Responsibility Of The Electrical Contractor.
7. No Permit fees or FPL fees are included unless otherwise noted above.
8. All Work will be performed in accordance to the National Electric Code standards and current Florida Building Codes. Please contact us if we can provide you with any additional information.
9. If work does not commence within 30 days of the date of this proposal, or if work is delayed after the designated start date by customer, Complete Electric, Inc. reserves the right to increase the price to the current material cost at that time.
