Good morning, CSAC team:

I hope this message finds you all well. I apologize for the short notice with this message. I would like to extend my deepest gratitude on behalf of The Motivational Edge for your recent award of \$15,000. Your support and belief in our mission are invaluable, and we truly appreciate the opportunity to partner with you all.

After careful consideration, however, our leadership team has come to the difficult conclusion that we must respectfully decline the award. Due to receiving less funding than we had initially applied for and coupled with the high turnover of staff in the region, we feel it is in the best interest of the program and its participants to pass on this funding opportunity at this time.

Please know this decision was made with much deliberation and with great respect for the work you do. We would welcome the opportunity to collaborate with you in the future when circumstances are more aligned for us to fully execute the intended program.

Thank you again for your generosity and support. We look forward to staying connected and exploring future opportunities to work together.

With Appreciation,

Ian Welsch
