Subject: RFP 2023029 Fleet Purchase of Sandridge Golf Cart - Seats Upgrade

BACKGROUND:

On March 28, 2023, the Board approved the purchase of 160 Yamaha Golf Carts for Sandridge Golf Club at a top line retail price of \$1,058,440. The carts were delivered in early February of this year. Staff were exceptionally pleased to receive an above market trade in value for the prior fleet with \$627,000 credit applied toward the retail price leaving a balance due of \$431,440. The savings presented an opportunity to later include an upgraded touring seat option that would provide the patrons of Sandridge Golf Club with a better experience; however, the availability of the upgraded seats was unknown at the time of delivery. Yamaha agreed to deliver the new fleet with standard seats and to carve out the upgraded seat pricing at \$38,400 to be reconciled when the touring seats became available. This would make the total cost of the new fleet with the upgraded seats \$469,840.

FUNDING:

Funding, in the amount of \$38,400, for the new golf cart fleet Touring Seats will be recorded in the Sandridge/Golf Carts account, number 418-166018.

Description	Account Number	Amount
