Subject: Residential Paper Shredding Event on November 18, 2023

Description:

The Solid Waste Disposal District (SWDD) and Waste Management, Inc. of Florida (WM) will be partnering with Southeast Secure Shredding (SSS) to host the Fall Residential Paper Shredding Event on Saturday, November 18, 2023. All residents of Indian River County are invited to bring up to three boxes/bags of paper (up to 35 lbs. each) to be shredded and recycled. There is no charge to the public, but participation is limited to one drop-off per vehicle per household. The event will be held from 8 am to 12 pm at SSS, which is located at 3910 U.S. Highway 1 in Vero Beach.

Analysis:

SSS is charging \$7 per vehicle, which is picked by WM in accordance with the attached Memorandum of Understanding (MOU). As detailed in the MOU, WM covers up to \$16,000 for the bi-annual shredding events; therefore, it is anticipated there will be no cost to the residents to drop-off their paper to be shredded. For instance, the last event on April 15, 2023 resulted in 560 cars and a diversion of 8 tons of paper.

While WM covers the actual cost of the event, SWDD is responsible for the advertising for these types of events, which is anticipated to be around \$8,000. Furthermore, per the MOU, SWDD would be responsible for any additional costs over the annual \$16,000 allocation by WM, but it is not anticipated the events would exceed that amount.

Funding:

The funding for the Fall Residential Paper Shredding Event is available in the SWDD/CC & RECYC/ADVERTISING/EXCEPT LEGAL account, number 41125534-034810. This account is funded through user assessment fees; the anticipated cost for advertising this event is \$8,000.

Description	Account Number	Amount

Solid Waste Disposal District staff recommends that the Board approve the Fall Residential Paper Shredding Event to be held on November 18, 2023.
