Why are you interested in serving on a board or commission?

I am interested in serving on the Beach and Shore Preservation Advisory Committee because I believe our coastline is one of Vero Beach’s most valuable assets—both for the community’s quality of life and for the long-term environmental health of our region. As a resident who cares deeply about preserving our beaches, I want to contribute my time, experience, and collaborative skills to support projects that protect against erosion, enhance public access, and balance ecological needs with responsible use. I value teamwork and community engagement, and I see this role as an opportunity to work alongside others who share a commitment to safeguarding our shoreline for future generations.
