Commissioner Matter

**INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS**

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: May 10, 2023

SUBJECT: Children's Services Advisory Committee (CSAC) Membership

FROM: Laura Moss
Commissioner, District 5

Respectfully, I request a discussion with my colleagues regarding membership on Children's Services Advisory Committee (CSAC). Specifically, Section 103.22 (1) a), which lists the seven (7) ex-officio voting members including the Superintendent of schools.

The Superintendent's schedule does not allow for his attendance. Should he be able to appoint an individual to represent him? Participation by the School District is greatly desired and would be highly valuable.

Also, I shall provide a brief update on CSAC.
