Dear Mrs. Kendrick,

I am pleased to announce that United Way of Indian River County has received an anonymous donation of \$5,000 designated to IRC Children's Services for the support of the Golden Impact Awards.

These funds are intended to cover expenses related to food, refreshments, decorations, supplies, handouts, and any other items necessary for the success of the event. I trust that under the capable direction of the Community Services Director, these resources will contribute to the celebration of outstanding achievements and contributions within our community.

Furthermore, the donor wishes to empower the Community Services Director with discretion in the allocation of any surplus funds. Should there be any remaining funds after the Golden Impact Awards, the donor has authorized their use for refreshments during CSAC meetings and subcommittee meetings. Such gatherings play a pivotal role in fostering collaboration, sharing knowledge, and ultimately driving positive change for the children and families we serve.

We are deeply grateful for the dedication and commitment demonstrated by Children's Services of Indian River County, and it is my honor to support your mission in this manner. Together, we can continue to make a meaningful difference in the lives of our community's youth.

Thank you for your tireless efforts and for the opportunity to contribute to your vital work.

Sincerely,

Meredith Egan
CEO
