

Indian River County Library System Annual Plan of Service FY 2024/2025

The Annual Plan of Service outlines the Indian River County Library System's primary activities and initiatives for the upcoming fiscal year. The plan supports the goals, objectives, and action plan from the Library System's Long-Range Plan and is supported by the Library System's budget as described.

The major emphasis during **Fiscal Year 2024/25 (October 1, 2024 to September 30, 2025)** will be:

- Maintain quality library services to all county residents.
- Maintain comprehensive collections, both print and digital.
- Maintain public computers and internet access.
- Maintain technology training programs for the public.
- Maintain cultural, educational, informational, and recreational programming for all ages.
- Maintain welcoming spaces for residents to meet, interact, read, and study.
- Begin offering access to the Dolly Parton Imagination Library program with the aim to impact early childhood literacy rates in our community.
- Provide adults with a valuable pathway to career advancement and postsecondary education through Career Online High School, helping to bridge educational gaps within the community.
- Partner with the American Heart Association to provide access to blood pressure monitoring resources and high-quality educational materials for our patrons.
- Expand our experience-based nontraditional borrowing program by adding additional passes for local attractions.
- Maintain service to the South County area using a state-of-the-art Vending Library located at the Intergenerational Center.
- Continue Archive Center digitization projects to preserve local and Florida history.
- Explore opportunities to increase outreach services within the community.

This plan reflects our commitment to meeting the evolving needs of the Indian River County community and ensuring the Library System remains a vital resource for all.
