Re: Altumint Presentation

Dear Chairman Adams:

During a recent speed study in several of the county's school zones, numerous violations were discovered, including one school with a daily average of 400 speeding incidents. The Indian River County Sheriff's Office is considering a partnership with Altumint, to address this public safety issue.

Please place these items under Constitutional Officers for the November 19, 2024 board agenda for discussion.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Flowers".
