SUBJECT: Award of Bid 2023021 – Replacement Pontoon Boat Dock at the Environmental Learning Center (re-bid)

BACKGROUND:

On December 13, 2022, the Board approved the Fourth Modification to the Agreement with the Environmental Learning Center (“ELC”) for the replacement of the Main Dock, including the rejection of bids received on July 15, 2022, as the prices exceeded the available funding. The fourth modification authorized the application for a Florida Inland Navigation District (“FIND”) Waterway Assistance Program grant to make up the shortfall in funding for the project. New bids were solicited for the project, as the previous bids were only valid for 90 days.
