

INDIAN RIVER COUNTY

BUILDING DIVISION

CERTIFICATE OF COMPLETION

This certificate is issued pursuant to the requirements of the applicable Florida Building Code, which at the time of issuance the described portion of the structure was inspected for compliance with Florida Building Code and various ordinances of the county, regulating building construction, occupancy and use. For the following:

Effective March 15th 2012, for buildings and structures in flood hazard areas, a statement that documentation of the as-built lowest floor elevation has been provided and is retained in the records of the department of building safety.
