Subject Matter for Discussion

My daughter, Skylar Jenkins, would like to speak about her idea to increase public safety for bicyclists, pedestrians, as well as drivers of vehicles in Indian River County. She conducted a Science Fair experiment this year that earned first place with a real-world connection that will help increase safety on our roadways and can also be applied to help save sea turtles too. In addition to increased safety, my daughter's idea would also reduce light pollution as well as environmental pollution.
