**TO:** Honorable Board of County Commissioners

**THROUGH:** John A. Titkanich, Jr., County Administrator  
David Johnson, Director of Emergency Services

**FROM:** Karen Rackard, 911 Coordinator  
Department of Emergency Services

**DATE:** August 21, 2024

**SUBJECT:** Approval of Renewal of the Public Safety Communications System Software Services Agreement

---

It is respectfully requested that the information contained herein be given formal consideration by the Board of County Commissioners at the next scheduled meeting.

**DESCRIPTION AND CONDITIONS:**

On September 11, 2018, the Board of County Commissioners approved Communications International as a sole source for the public safety radio system Software Services. The L3 Harris Software provided by Communications International provides software updates, enhancements and corrections to the public safety P25 radio system dual cores, consoles and site infrastructure. Software Services is critical for maintaining the P25 infrastructure covered in the P25 backbone contract that Indian River County maintains with Communications International.

The proposed FY 2024/2025 FX Software agreement will cover all necessary L3Harris and 3<sup>rd</sup> party software upgrades, installation and implementation for the L3Harris for the P25 system.

**FUNDING:**

Funding, in the amount of \$131,513.33, is budgeted and available in the Fiscal Year 2024/2025 budget in the General Fund/Communications/Emergency Services/Computer Software account, number 00110719-035120.

Account Name	Account Number	Amount
