Why are you interested in serving on a board or commission?

I have been blessed to work with the CSAC grant subcommittee for many years and was a past member of the CSAC main committee as well as the needs assessment committee. I am the Director of Child Welfare for the County and work side by side with many of our funded non-profits daily and have an in-depth understanding of the need here in Indian River County. I am vested in the County's path for increased accountability and it has been a pleasure to watch many of our local non-profits grow and mature through the years. I was raised in this County and raised my children here, this County is in my heart and it's future and growth matter greatly to me. Thank you for your consideration.
