**INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS**

**INTER-OFFICE MEMORANDUM**

---

TO: Members of the Board of County Commissioners

DATE: August 22, 2023

SUBJECT: Use of the BOCC Chambers

FROM: Joseph H. Earman  
Chairman

---

**Discussion Item:**

I was contacted by Lance Lunceford, Vice-President of the Indian River County Taxpayers Association, to request use of the BOCC Chambers to host a "Community Council Meeting" on a date to be determined from approximately 5:00pm-9:00pm. They would like the event to be televised beginning at 6:00pm. For this event they are inviting all the City Mayors, Constitutional Officers, the BOCC Chairman, Representative Brackett, and Senator Erin Grall.

Staff would need to be present for Audio/visual needs.

I submit this request for the Taxpayer's Association on their behalf, and would appreciate my fellow Commissioners input on this request.
