GOAL/WORK ETHIC

Provide quality construction services to Indian River and St. Lucie county. Utilize my over 25 years of construction experience and business knowledge to each project that I manage. Manage all parties to the best of my ability to complete each project cost effectively, within a scheduled time frame, and maintain a positive attitude and communication pathway between all parties. My motto has always been, "whatever it takes" to complete things properly.

DESIGN BUILD - CONSTRUCTION MANAGEMENT - CONTRACTING Summit Construction of Vero Beach, LLC HELPING TO SHAPE OUR COMMUNITY, ONE PROJECT AT A TIME

Brad Schuh, President & Project Manager

Duties include:

- C.E.O.
- Project Management
- Owner/Architect Coordination

Experience

Brad Schuh is the founder of *Summit Construction*. Over the past thirty+ years Mr. Schuh has been involved in numerous commercial construction projects throughout Indian River, St. Lucie, & Okeechobee Counties. His experience ranges from small room renovations to office buildings, new facilities complexes and industrial projects. All of Brad's projects have been completed on time and within budget; no litigation has ever been associated with any project that he has ever been involved with.
