Dear Commissioner Loar,

Please let this letter serve as my resignation from the Indian River County Environmental Lands Advisory Panel (ELAP) effective immediately. My wife and I are selling our Vero home and moving to Eastern Tennessee in February making it impossible to continue to serve.

I have greatly enjoyed being your District 4 appointee on ELAP and also serving as Chair over the last 2 years. I believe the Panel has worked hard on reviewing and ranking the properties submitted for consideration and I believe the Board of Commissioners will receive an excellent summary and ranking shortly.

It has also been a pleasure working with staff on the various parcels and they have done a tremendous job given the large number of submittals.

Again it has been my pleasure to serve.

Cheers,
