request Protected Health Information on the Covered Entity's behalf (collectively, "Covered Entity's Protected Health Information") only:

- i) **Functions and Activities on the Covered Entity's Behalf.** To perform those services referred in the Exhibit A.
 - ii) **Business Associate's Operations.** For the Business Associate's proper management and administration or to carry out the Business Associate's legal responsibilities, provided that, with respect to disclosure of the Covered Entity's Protected Health Information, either:
 - (a) The disclosure is Required by Law; or

Effective as of the date specified by HHS, if the Protected Health Information is held electronically in a designated Record Set in the Business Associate's custody or control. The Business Associate will provide an electronic copy in the form and format specified by the Covered Entity if it is readily producible in such format; if it is not readily producible in such format, the Business Associate will work with the Covered Entity to determine an alternative form and format as specified by the Covered Entity to meet its electronic access obligations under 45 CFR 164.524.
- (b) **Amendment.** The Business Associate will, upon receipt of written notice from the Covered Entity, promptly amend or permit the Covered Entity access to amend any portion of the Covered Entity's Protected Health Information in a designated record set as directed or agreed to by the Covered Entity, so that the Covered Entity may meet its amendment obligations under 45 CFR §164.526.
- (c) **Disclosure Accounting.** The Business Associate will maintain and make available the information required to provide an accounting of disclosures to the Covered Entity as necessary to satisfy the Covered Entity's obligations under 45 CFR §164.528.

Associate made the disclosure, (3) a brief description of the Covered Entity's Protected Health Information disclosed, and (4) a brief statement of the purpose of the disclosure.

2. **Disclosure Information for Repetitive Disclosures.** For repetitive disclosures of the Covered Entity's Protected Health Information that the Business Associate makes for a single purpose to the same person or entity (including the Covered Entity), the Disclosure Information that the Business Associate must record is either the Disclosure Information specified above for each accountable disclosure, or (1) the Disclosure Information specified above for the first of the repetitive accountable disclosures; (2) the frequency, periodicity, or number of the repetitive accountable disclosures; and (3) the date of the last of the repetitive accountable disclosures.
- iv. **Availability of Disclosure Information.** The Business Associate will maintain the Disclosure Information for at least 6 years following the date of the accountable disclosure to which the Disclosure Information relates (3 years for disclosures related to an Electronic Health Record, starting with the date specified by HHS). The Business Associate will make the Disclosure Information available to the Covered Entity within fifty (50) calendar days following the Covered Entity's request for such Disclosure Information to comply with an individual's request for disclosure accounting. Effective as of the date specified by HHS, with respect to disclosures related to an Electronic Health Record, the Business Associate shall provide the accounting directly to an individual making such a disclosure request, if a direct response is requested by the individual. To the extent the Business Associate is to carry out one or more of Covered Entity's obligation(s) under Subpart E of 45 CFR Part 164, comply with the requirements of Subpart E that apply to the covered entity in the performance of such obligation(s); and make its internal practices, books, and records available to the Secretary for purposes of determining compliance with the HIPAA Rules.
- (d) **Restriction Agreements and Confidential Communications.** The Covered Entity shall notify the Business Associate of any limitations in the notice of privacy practices of Covered Entity under 45 CFR §164.520, to the extent that such limitation may affect the Business Associate's use or disclosure of Protected Health Information. The Business Associate will comply with any agreement that the Covered Entity makes that either (i) restricts use or disclosure of the Covered Entity's Protected Health Information pursuant to 45 CFR §164.522(a), or (ii) requires confidential communication about the Covered Entity's Protected Health Information pursuant to 45 CFR §164.522(b), provided that the Covered Entity notifies the Business Associate in writing of the restriction or confidential communication obligations that the Business Associate must follow. The Covered Entity will promptly notify the Business Associate in writing of the termination of any such restriction agreement or confidential communication requirement and, with respect to termination of any such restriction agreement, instruct the Business Associate whether any of the Covered Entity's Protected Health Information will remain subject to the terms of the restriction agreement. Effective February 17, 2010 (or such other date specified as the effective date by HHS), the Business Associate will comply with any restriction request if: (i) except as otherwise required by law, the disclosure is to a health plan for purposes of carrying out payment or health care operations (and is not for purposes of carrying out treatment); and (ii) the Protected Health Information pertains solely to a health care item or service for which the health care provider involved has been paid out-of-pocket in full.

VII. Breaches and Security Incidents

(a) Reporting

- i. **Impermissible Use or Disclosure.** The Business Associate will report to Covered Entity any use or disclosure of Protected Health Information not permitted by this Addendum not more than fifteen (15) calendar days after Business Associate becomes aware of such non-permitted use or disclosure.
- ii. **Privacy or Security Breach.** The Business Associate will report to the Covered Entity any use or disclosure of the Covered Entity's Protected Health Information not permitted by this Addendum of which it becomes aware, including breaches of Unsecured Protected Health Information as required by 45 CFR 164.404, and any Security Incident of which it becomes aware. The Business Associate will make the report to the Covered Entity's Privacy Official not more than fifteen (15) calendar days after the Business Associate becomes aware of such non-permitted use or disclosure. If a delay is requested by a law-enforcement official in accordance with 45 CFR §164.412, the Business Associate may delay notifying the Covered Entity for the applicable time period. The Business Associate's report will at least:
 1. Identify the nature of the Breach or other non-permitted use or disclosure, which will include a brief description of what happened, including the date of any Breach and the date of the discovery of the Breach;
 2. Identify the Covered Entity's Protected Health Information that was subject to the non-permitted use or disclosure or Breach (such as whether full name, social security number, date of birth, home address, account number or other information were involved) on an individual basis;
 3. Identify who made the non-permitted use or disclosure and who received the non-permitted use or disclosure;

 5. Identify what steps the individuals who were subject to a Breach should take to protect themselves; and
 6. Provide such other information, including a written report and risk assessment under 45 CFR §164.410, as the Covered Entity may reasonably request.

- iii. **Security Incidents.** The Business Associate will report to The Covered Entity any Security Incident of which the Business Associate becomes aware. The Business Associate will make this report once per month, except if any such Security Incident resulted in a disclosure not permitted by this Addendum or Breach of Unsecured Protected Health Information, Business Associate will make the report in accordance with the provisions set forth above.
- (b) **Mitigation.** The Business Associate shall mitigate, to the extent practicable, any harmful effect known to the Business Associate resulting from a use or disclosure in violation of this Addendum.

VIII. Term and Termination

- (a) **Term.** The term of this Addendum shall be effective as of the date specified within the Service Agreement, and shall terminate when all Protected Health Information provided by the Covered Entity to the Business Associate, or created or received by the Business Associate on behalf of the Covered Entity, is destroyed or returned to the Covered Entity, or, if it is infeasible to return or destroy Protected Health Information, protections are extended to such information, in accordance with the termination provisions in this section.
- (b) **Right to Terminate for Cause.** The Covered Entity may terminate this Addendum if it determines, in its sole discretion, that the Business Associate has breached a material term of this Addendum, and upon written notice to the Business Associate of the breach, the Business Associate fails to cure the breach within thirty (30) calendar days after receipt of the notice. Any such termination will be effective immediately or at such other date specified in the Covered Entity's notice of termination.
- (c) **Treatment of Protected Health Information on Termination.**
 - i. **Return or Destruction of Covered Entity's Protected Health Information as Feasible.**

Upon termination or other conclusion of the Service Agreement, the Business Associate will, if feasible, return to the Covered Entity or destroy all of the Covered Entity's Protected Health Information in whatever form or medium, including all copies thereof and all data, compilations, and other works derived therefrom that allow identification of any individual who is a subject of the Covered Entity's Protected Health Information. This provision shall apply to Protected Health Information that is in the possession of Subcontractors or agents of the Business Associate. Further, the Business Associate shall, upon request, require any such Subcontractor or agent to certify to the Business Associate that it returned to the Business Associate (so that the Business Associate may return it to the Covered Entity) or destroyed all such information which could be returned or destroyed.
 - ii. **Procedure When Return or Destruction Is Not Feasible.** The Business Associate will identify any of the Covered Entity's Protected Health Information, including any that the Business Associate has disclosed to subcontractors or agents as permitted under this Addendum, that cannot feasibly be returned to the Covered Entity or destroyed and explain why return or destruction is infeasible. The Business Associate will limit its further use or disclosure of such information to those purposes that make return or destruction of such information infeasible. The Business Associate will complete these obligations as promptly as possible, but not later than thirty (30) calendar days following the effective date of the termination or other conclusion of this Addendum.
 - iii. **Continuing Privacy and Security Obligation.** The Business Associate's obligation to protect the privacy and safeguard the security of the Covered Entity's Protected Health Information as specified in this Addendum will be continuous and survive termination or other conclusion of this Addendum.
