**CAUTION:** This message is from an external source. Please use caution when opening attachments or clicking links.

John,

Based on our December 4, 2024 discussion, I am sending you a revised estimate for the concrete sidewalk alternative. This estimate does not include the standalone lifeguard tower. It does include the two wooden shade pavilions. This estimate is for the conceptual plan and not a final design.

Please let me know if you need anything else.

Monte
