RE: Letter of Engagement between Indian River County Stormwater Division and The Learning Alliance

Dear Alexis,

We are pleased to extend this Letter of Engagement to formalize our collaboration between the Indian River County Stormwater Division and The Learning Alliance. This partnership aims to foster mutual cooperation in promoting environmental stewardship and community education initiatives as we work toward the Moonshot Goal for 90% of Indian River County children to read on grade level by the end of 3rd grade.

Indian River County Stormwater Division is dedicated to the management and preservation of stormwater resources to safeguard the environment and enhance the quality of life for residents. The Learning Alliance shares a similar commitment to environmental education and advocacy, making it an ideal partner for advancing our shared goals using our diverse ecosystem as a springboard to engage students in reading.

Through this engagement, both parties agree to the following terms and conditions:

1. **Scope of Collaboration:** Indian River County Stormwater Division and Learning Alliance will collaborate on various educational programs, workshops, and outreach events focused on environmental conservation, stormwater management, and related topics.
2. **Resource Sharing:** Both parties agree to share relevant resources, expertise, and materials to support the development and implementation of joint initiatives.
3. **Promotion and Awareness:** Indian River County Stormwater Division and The Learning Alliance will work together to promote events and activities through their respective communica-

tion channels, including websites, social media platforms, newsletters, and community outreach efforts.

4. **Commitment to Excellence:** Each party commits to upholding the highest standards of professionalism, integrity, and environmental stewardship throughout the duration of this engagement.
5. **Term and Termination:** This engagement shall commence on the effective date of this Letter of Engagement and shall continue until either party provides written notice of termination. Termination shall be effective thirty (30) days after the receipt of such notice.
6. **Amendments:** Any amendments or modifications to this agreement must be made in writing and signed by authorized representatives of both parties.

This Letter of Engagement represents the continuation of a dynamic partnership between Indian River County Stormwater Division and The Learning Alliance that develops readers and environmental leaders. By joining forces, we are confident that we can make significant strides toward our shared objectives of environmental conservation and community empowerment.

Please signify your agreement to the terms outlined in this letter by signing and returning a copy to the Indian River County Stormwater Division. We look forward to a fruitful collaboration and the positive impact it will have on our community.

Thank you for your partnership and commitment to environmental stewardship and literacy.

Sincerely,

Liz Bahl, TLA COO  
The Learning Alliance
